

# Knowledgeable, Trusted, Experienced

Car Wash Sales and Advisory will guide you every step of the way and set you up for ongoing success.

The only car wash sales and advisory agency with Australia-wide connections and listings. We harness our combined knowledge and unique industry experience to provide our clients with trusted advice to suit their needs.

## Sales

Listing with the only national car wash sales agency in Australia, you'll have access to our extensive network and expertise.

Our team of business professionals come from diverse backgrounds with expertise in property, development, car wash operations and ownership. Enabling us to provide tailored advice drawing on insights from various industries and covering both on and off-market sales.

## Leasing

We excel at connecting landlords and tenants for mutually beneficial outcomes, working closely with both parties to ensure a smooth process - with a fair and equitable arrangement for all.

We can identify suitable leasing opportunities for potential tenants and make recommendations to landlords seeking to maximize the value of their car wash investment.

## Advisory

With our diverse experience in property, business, car wash ownership and real-time industry knowledge through our client interactions, we provide unique insights on transforming a car wash business to successful ventures.

Whether you are looking for advice for buying, selling, leasing your own commercial car wash, we offer tailored solutions for developing new car washes or upgrading existing sites to achieve your business goals.
