

Take the work out of workforce management

Swamped in admin? Say goodbye to payroll issues and WorkCover disputes!

We take care of the boring bits

As an end-to-end workforce provider, we partner and work together closely with you.

Choose, train, roster and lead your team just as you've always done – and we can take care of the rest. This means more time doing what you love (hoorah!).

Retail Staff perks

Let's cut to the chase – our perks extend beyond looking after the boring bits. When you partner with Retail Staff you can also expect:

- ✓ Individualised approach with real people and regular site visits (say goodbye to 1800 numbers).
- ✓ Trust in Retail Staff. We'll keep you updated on the latest legislative updates that matter to you – award rates, compliance, and underpayments.
- ✓ Access to dedicated safety professionals. We want to keep you and your people safe in the workplace.
- ✓ Specialist teams in payroll and onboarding, HR and IR.
